

Tuition and Fees

Updated 07/08/2025

Associate of Applied Science in Magnetic Resonance Imaging (MRI) Technology

Program Start: Winter 2026

Non-Refundable Application fee: \$60

Tuition per term:

FT 12+ credits: \$8,400

PT 11-9 credits: \$7,675

PT 8-6 credits: \$6,975

PT 5 or fewer credits: \$820 per attempted credit

Externship (clinical): \$8,400

\$2,800 per 270-hour course with 810 on-site clinical hours total (3 clinical courses) required for the program completion.

Externship/clinical tuition charges are applied in the term in which clinical course(s) are scheduled. Clinical courses 1, 2, and 3 are typically scheduled and charged in Terms 3, 4, and 5 respectively. However, clinical scheduling rules dictate that the credit load of a clinical course must be assigned in the term in which most clinical hours for that course are scheduled to be completed. This stipulation along with clinical site availability may result in more than one clinical course scheduled in any term. Whenever two clinical courses are scheduled in one term, the charges for one of the clinical courses may be shifted to the following term if applicable.

Under normal circumstances, tuition charges plus externship/clinical course(s) charges will not exceed a combined charge of \$8,400 in any single term, unless additional didactic courses are scheduled due to course repeats, retakes, etc.

Learning Management System Fee: \$200 per term

Castle Branch fee: \$150
