***Certification Reimbursement Policy:**

The Associate of Applied Science in Non-Invasive Cardiovascular Sonography program offers reimbursement opportunities for the following certifications:

- ✓ American Registry for Diagnostic Medical Sonography (ARDMS) Sonography Principles and Instrumentation (SPI) exam
- ✓ Cardiovascular Credentialing International (CCI) Certified Cardiographic Technician (CCT) exam

MCC will reimburse the cost of the certification exams listed above once per the certification attempt. To qualify for reimbursement students must:

- Pass the program exit exam or certification preparation exam, if applicable;
- Receive written approval from the Program Director or designee before applying for the certification exam;
- Attempt the certification exam no later than 180 days from the program completion date;
- Provide a copy of the certification exam results (passing or failing) to the Program Director or designee within 14 calendar days of taking the exam or within 14 calendar days of the receipt of the certification exam results, if the results are not available immediately;
- Provide a copy of payment receipt to the Program Director or designee;
- Be in good academic, financial, and conduct standing with the college at the time of reimbursement.

If certification exam cost changes, MCC will reimburse the student up to the amount listed on this disclosure, but not higher than the actual cost of the certification exam as paid by the student. MCC will not reimburse for the certification exam costs paid by third parties. If a student has an open balance with the college, the certification exam reimbursement will be applied directly towards the student's open balance. If a student does not have an open balance with the college, a check will be mailed to the student's address on file with the college, unless other arrangements are made in advance with the Business Office. The policy may change with or without notice.

Cost of Attendance is based on 26/27 award year

Cost of attendance (COA) is the total estimated cost of attending a college or university per academic year . It includes tuition and fees, housing and food, books and supplies, transportation, personal expenses, and other education-related costs. Colleges use the COA to show the estimated total cost of attendance and to determine a student's eligibility for financial aid. The COA is used as a planning and financial aid tool and does not necessarily represent the actual cost of the program.
