

Student Right-to-Know Disclosure

Overall Graduation Rate (2025-2026 IPEDS Graduation Rate Survey)

The overall graduation rate is also known as the "Student Right to Know" or IPEDS graduation rate.

It tracks the progress of students who began their studies as **full-time, first-time (FTFT) degree- or certificate-seeking students** to see if they complete a degree or other award such as a certificate within 150% of "normal time" for completing the program in which they are enrolled.

Note that not all students at the institution are tracked for these rates. Students who have already attended another post-secondary institution, or who began their studies on a part-time basis, are not tracked for this rate.

Graduation Rate for FTFT degree- or certificate-seeking students who began their studies in 2022-23 is 54%

The average four-year Student Right-to-Know Completion/Graduation Rate is 57% (2019-2022 cohorts)
